CODEX
MEDIAVAULT DESKSIDE

CX.0001021

BRIDGING THE STORAGE GAP

From Production to Post, CODEX is bridging the gap in performance and network versatility for the desktop. Simply connect your CODEX Media Vault Deskside over the built-in 10GbE network to your desktop workstation. Connect up to four workstations over 10GbE or choose 40GbE to connect to infrastructure. Copy and share files quickly and easily. One centralized storage solution for all stages of your workflow.

HIGHLIGHTS

- High performance
- Scalable platform 72 TB to 168 TB
- Enterprise-class drives
- Easy-to-use with quick set-up
- 3 year/optional 5 year warranty
